CLASSICAL, CHRISTIAN HOMESCHOOLING FREE, 3-DAY CONFERENCE FOR PARENTS

Few things in life are more foundational than RELATIONSHIPS. They govern our homes, our churches, our neighborhoods, our studies, our conversations, even our thinking!

- Sessions to enhance your understanding of classical education & home school
- Academic training
- Book representatives on-site
- Student camps

Join us this summer as we “reason together,” learning the principles of clear thinking and how rightly relating our thoughts and ideas can bring glory to God, peace to our homes, grace to our conversations, and wisdom to our thoughts. We will identify opportunities for using logic in our everyday lives, and map out the baby steps we can take with our students to lead them towards the practice of clear thinking.
