SERVICE ABOVE SELF

Three Mile Store & Cafe

The Best Store In North Idaho!

Once again it is time to say Thank You. I know I will leave some out but I also know that the time and money spent was a gift to us all. The sponsors shown above and below are typical of Boundary County. When you visit these businesses or see these individuals, please let them know how much you appreciate their community spirit. There is more, everyone that attended or watched the show deserves thanks. Without the crowd participation, what would be the point? [Alan would say at least he could blow things up]. My greatest satisfaction was watching the families have a great time meeting, greeting, and playing. I am so pleased to call this my home.

Sincerely, Gary Leonard
