BFHS News 9/28/15

Hello everyone out in Badger land. I can't believe it has been three weeks already. At the high school we are off to a great start. The staff asked me to send out a special thank you to all the parents who brought in breakfast the first day of school. It was amazing! We would also like to thank Kerby Insurance and Columbia Bank for our awesome football scoreboard. In addition we need to thank Mountain West Bank for power washing and cleaning the football bleachers, and Potlatch Federal Credit Union for their donation to our activities fund. Last but not least, thank you to those who graciously donate their time to the students of Boundary County.

As always, we have a myriad of happenings taking place at the high school. In the classroom, teachers have been focusing on our school-wide expectations: Be Prepared, Be Responsible, Be On Time, and Act When Asked. Advanced art students have been working on the curriculum-based murals by classroom doors. The programmers from the robotics team are hard at work on this year's Zero Robotics challenge. They are hoping to build on the success of last year and make it even farther in the competition. I would like to invite you to the high school to see the great things our teachers and our students are doing. Until next time- **GO BADGERS!**
